One day while sitting on a park bench, Mark was asked by an old man, Why do you do what you do? Why do you work where you work or live where you live? Whether we agree or not, life really is about a series of paths and decisions whereby even one small change can alter our lives forever. We usually want to blame others, including God, for our decisions. Only by examining the paths we have taken can we really see where we were at! It is only when

It is a cold and misty morning as passengers board a ship heading for Australia with hopes of making a new life in the new settlement on the other side of the world. As nine-year-old Abigale Sherman joins her family on the ship, she has no idea of what lies ahead. After she makes new friends who soon begin teasing her, Abigale begins exploring the ship's decision that leads her straight to a political prisoner caged inside a crate. After she sets him free without realizing he intends to unleash an evil plan,

Abigale is thrust in the midst of a tragedy that causes her life to take an entirely new turn. As she is led to Australia and to a life she never imagined with a new family, Abigale must somehow summon the inner-strength to overcome her challenges, shun bad influences, and find lasting love despite seemingly insurmountable obstacles. In this historical tale, a young girl immigrates to Australia during the 1850s where she attempts to begin a new chapter while battling criminals, poverty, and herself.

What does food reveal about how we live and how we think of ourselves in relation to others? Why do people have a strong attachment to their own cuisine and an aversion to the foodways of others? In this engaging account of the crucial significance rice has for the Japanese, Rice as Self examines how people use the metaphor of a principal food in conceptualizing themselves in relation to other peoples. Emiko Ohnuki-Tierney traces the changing contours that the Japanese notion of the self has taken as different historical Others--whether Chinese or Westerner--have emerged, and shows how rice and rice paddies have served as the vehicle for this deliberation.*

Today, it is hard to conceive that at the turn of the 20th century Miami, Florida, was a sleepy town of 500 inhabitants. Over the years, many influences have shaped Miami into the cultural, educational, tourism, and commercial center that it is now. One of the primary reasons for the city's growth was the development of sportfishing. It all began in the 1920s, and by the beginning of World War II an entire industry was born.
