

First Look New Star Trek Adventures Miniatures

In 1997, Star Trek: New Frontier® debuted and became an instant sensation, chronicling the exciting adventures of Captain Mackenzie Calhoun and the U.S.S. Excalibur, as told by New York Times bestselling author Peter David. Now, over a dozen books later, Peter David has gathered some of the finest Star Trek authors to tell new tales of the Excalibur crew: Dayton Ward's thrilling adventure from Calhoun's sordid past Loren L. Coleman's tale of Shelby's first experience with the Borg Robert Greenberger's origin of "Lefler's Laws" Susan Shwartz's adventure with Soleta and Ambassador Spock Terri Osborne's chronicle of Selar's encounter with the Q David Mack's tale of the longest day of Zak Kebron's life plus stories by Keith R.A. DeCandido, Susan Wright, Josepha Sherman, Ilsa J. Bick, Kevin Dilmore, Christina F. York, Robert T. Jeschonek, Peg Robinson, Mary Scott-Wiecek, Allyn Gibson, and Glenn Hauman & Lisa Sullivan. Added Bonus! Peter David himself tells the untold story of Calhoun and Shelby's honeymoon on Xenex!

The story of Star Trek's resurrection between the 1969 cancellation of the original series and the 1979 release of Robert Wise's Star Trek--The

Motion Picture, has become legend and like so many other legends, it tends to get printed instead of the facts. Drawing on hundreds of contemporary news articles and primary sources not seen in decades, this book tells the true story of the first successful Star Trek revival. After several attempts to relaunch the franchise, ST--TMP was released on a wave of prestige promotion, hype, and public frenzy unheard of for a film based on a television show. Controversy surrounded its troubled production and \$44M budget, earning it a reputation at the time as the most expensive movie ever made. After a black-tie premiere in Washington, D.C., its opening in 856 North American theaters broke multiple box-office records--a harbinger of the modern blockbuster era. Despite immediate financial success, the film was panned by both critics and the public, leaving this enterprise nowhere to boldly go but down.

(FAQ). This book is not endorsed, sponsored, or affiliated with CBS Studios Inc., Paramount Pictures, or the "Star Trek" franchise. In the 1980s and '90s, Star Trek rose from the ash heap of network cancellation and soared to the peak of its popularity with a series of blockbuster feature films and the smash sequel series Star Trek: The Next Generation . Star Trek FAQ 2.0 picks up where the original Star Trek FAQ left

Access Free First Look New Star Trek Adventures Miniatures

off, chronicling the historic comeback of the "failed" series and its emergence as a pop culture touchstone. The book provides accounts of the production of every Star Trek movie (including creator Gene Roddenberry's struggle to retain control of the franchise) and every episode of The Next Generation (and the conflicts that roiled its writing staff). It also offers profiles of the actors, directors, writers, producers, and technicians whose excellence fueled the franchise's success, and explores often overlooked aspects of the Star Trek phenomenon, including unofficial, fan-made productions. Star Trek FAQ 2.0 represents the final frontier of Trek scholarship.

This book takes a unique look at visual character development in motion pictures and television by using famous works of art combined with modern works of film and television to demonstrate how to weave a visual tale. In a single shot or scene, what should we reveal about a character? What should we conceal? How can we show a character's progression over time? In *Visual Character Development in Film and Television*, authors Michael Hanly and Elisabeth Rowney explain how to create compelling visual characters for the screen by analyzing fine art aesthetics and combining them with modern cinematic

techniques. Full-color chapters cover character-driven approaches to costume design and makeup application, production design, cinematography and lighting, plot development, editing considerations, and more. By exploring how surroundings, habits, lifestyles – even the color of a sweater – can tell us more about a character on the screen than what can be said in dialogue alone, this book will prove a valuable resource for anyone wanting to take their filmmaking to the next level.

Star Trek: The Next Generation blended speculative science fiction and space opera in its portrayal of communication. Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal. This book proposes that these patterns of communication reveal a foundational philosophy of Star Trek (while enticing millions of viewers). These patterns serve both to cause strong empathetic connections with characters and to impel viewers to form relationships with the show, explaining their extreme devotion.

No Marketing Blurb

The official novelization of the widely acclaimed major motion picture based on Star Trek: The Next Generation! From the deepest, darkest reaches of space came the greatest threat the

United Federation of Planets had ever faced: the Borg, a half-organic, half-mechanical species relentlessly bent on conquering and “assimilating” all intelligent life into their collective. Only through the courage and determination of the USS Enterprise crew was Captain Jean-Luc Picard able to be rescued from his own abduction and assimilation by the Borg and this alien menace prevented from destroying Earth itself. Now, several years later, the Borg are back and more dangerous than ever, launching a new attack against the heart of the Federation—one that simultaneously threatens Earth’s past, present, and future. As Captain Picard and the Enterprise crew risk their lives alongside unexpected allies, they must all stand against their greatest foe in a startling confrontation across time, even as the Borg Collective’s deadliest secret and its true face are finally revealed...

An original eBook novella set in the acclaimed Typhon Pact series! An original e-novella in the acclaimed Typhon Pact series! The Enterprise-E is on a diplomatic mission to the Talarian Republic, the last holdout in the Federation’s efforts to expand the Khitomer Accords in response to the emergence of the Typhon Pact. In the wake of Andor’s recent secession, the Federation is more concerned than ever with

strengthening its alliances. The Talarians have been a tenuous potential partner at best, given the history of conflict and mistrust between them and the Federation. But the negotiations between Picard and the Talarians are disrupted by a growing public protest of those who are demanding greater rights—and before long, it becomes clear that the dissidents are not limiting themselves to nonviolent means....

Longtime enemies of the Federation, the Romulan Empire has expressed its desire to initiate negotiations which, it is hoped, will lead to a lasting peace and the ultimate goal of unity within the galaxy. But upon their arrival on Romulus, the Enterprise crew is faced not with hope for the future but with a plot that threatens the very existence of Federation space. In the heart of the Romulan Empire, have Captain Jean-Luc Picard and the Federation encountered their Nemesis at last?

This is the unauthorized, uncensored and unbelievable true story behind the making of a pop culture phenomenon. The original Star Trek series debuted in 1966 and has spawned five TV series spin-offs and a dozen feature films, with an upcoming one from Paramount arriving in 2016. The Fifty-Year Mission is a no-holds-barred oral history of five decades of Star Trek, told by the people who were there. Hear from the hundreds of television and film executives, programmers, writers, creators and cast as they unveil the oftentimes shocking story of Star Trek's ongoing fifty-year mission - a mission that has spanned from the classic series to the animated show, the many attempts at a relaunch through the beloved feature films. Make no mistake, this isn't just a book for Star Trek fans. Here is a volume for

Access Free First Look New Star Trek Adventures Miniatures

all fans of pop culture and anyone interested in the nuts and bolts of a television touchstone.

The U.S.S. Enterprise, under the command of Lieutenant Hikaru Sulu, is returning from a mission to deliver medical supplies to Deep Space Station C-15, one of Starfleet's most distant installations. All is routine until the Enterprise comes within a light-year of the planet Mu Arigulon, when the ship is suddenly thrown from warp and suffers a momentary power cut, having run aground on a spatial distortion not revealed in previous scans of the system. When the pride of Starfleet hits another, much worse distortion, Dr. Leonard McCoy has his hands full caring for officers who have suddenly fallen into comas for no apparent reason. The Enterprise medical team soon discovers that the dying officers are espers—humans with a rare and abnormal level of telepathic and psychic ability. With no choice but to link to the officers' minds in order to come to their aid, McCoy is plunged into a nightmarish dream-world . . . with the end result being nothing short

Access Free First Look New Star Trek Adventures Miniatures

of the possible destruction of the Enterprise and all aboard her. . . . Lizzy Bennet's fundraising mission is to keep her homeless center's clients well-fed through a cold prairie winter. She meets the snobby and pompous William Darcy of Fitz & William Enterprises. While she'd never dare ask him for help, she can't stop bumping into him – sometimes, quite literally. But when Lizzy's campaign is cut short by the disappearance of her sixteen-year-old sister, William and his younger sister step in to help the woman they want to make part of their family. Inspired by Jane Austen's classic, *Pride and Prejudice*, *First Impressions* is Lizzy's quest for happiness, security, and love in the 21st century. Note: This was originally published as *First (wrong) Impressions* by K. Ball.

Don't miss this special anniversary issue that kicks off an epic new 3-part adventure! For the first time, the crew of the new movie franchise will meet its evil Mirror counterpart! It's Enterprise vs. Enterprise, Federation vs. the Terran Empire, with the fate of

Access Free First Look New Star Trek Adventures Miniatures

two universes at stake!

How is the android Data like Shakespeare's character Hamlet? Is the vengeful Khan (original series episode "Space Seed" and the film Star Trek II: The Wrath of Khan) an echo of Captain Ahab in Moby Dick? The links between Star Trek and literature are vast: themes and characters that reflect those in classic literature; characters that quote literature in their dialog; and an enormous body of nonfiction books, novels, articles that have grown from the saga. Finally, like literature, Star Trek seeks to help in the human endeavor of understanding the world and its place in the universe. This book explores all of those connections. The Next Generation's Captain Picard frequently quotes Shakespeare. Captain Janeway from Voyager reenacts literature in holodeck novels. Jake Sisko, son of Deep Space Nine's Commander Benjamin Sisko, becomes an award-winning writer. Beginning with Captain James T. Kirk's first appearance in the original series, then continuing through four subsequent series and ten movies, this

Access Free First Look New Star Trek Adventures Miniatures

book draws parallels between Star Trek stories and literary classics such as Hamlet, Paradise Lost, Ulysses, Dracula, and the New Testament, and works by the likes of Booker T. Washington, Edgar Allan Poe and William Shakespeare. Appendices list the literary works discussed and the episodes and movies mentioned, each giving the chapters where references can be found.

In Star Trek Chris Gregory analyses the reasons for the continuing success of the Star Trek phenomenon, traces its overall development and comments on how the differences between 1990s and 1960s series reflect changes in the mass media environment during this period. He examines Star Trek as a series of generic and mythological texts, compares TV and filmed versions, explores its 'cult' appeal and looks in detail at its psychological, social and political themes.

Jewish Themes in Star Trek Lulu Press, Inc

The heroes, villains, and monsters portrayed in such popular science fiction television series as Heroes,

Access Free First Look New Star Trek Adventures Miniatures

Lost, Battlestar Galactica, Caprica, Doctor Who, and Torchwood, as well as Joss Whedon's many series, illustrate a shift from traditional, clearly defined characterizations toward much murkier definitions. Traditional heroes give way to "gray" heroes who must become more like the villains or monsters they face if they are going to successfully save society. This book examines the ambiguous heroes and villains, focusing on these characters' different perspectives on morality and their roles within society. Appendices include production details for each series, descriptions and summaries of pivotal episodes, and a list of selected texts for classroom use. Instructors considering this book for use in a course may request an examination copy [here](#).

A scholarly work examining the continuing evolution of the magazine—part of the popular Handbooks in Media and Communication series The Handbook of Magazine Studies is a wide-ranging study of the ways in which the political economy of magazines has dramatically shifted in recent

Access Free First Look New Star Trek Adventures Miniatures

years—and continues to do so at a rapid pace. Essays from emerging and established scholars explore the cultural function of magazine media in light of significant changes in content delivery, format, and audience. This volume integrates academic examination with pragmatic discussion to explore contemporary organizational practices, content, and cultural impact. Offering original research and fresh insights, thirty-six chapters provide a truly global perspective on the conceptual and historical foundations of magazines, their organizational cultures and narrative strategies, and their influences on society, identities, and lifestyle. The text addresses topics such as the role of advocacy in shaping and changing magazine identities, magazines and advertising in the digital age, gender and sexuality in magazines, and global magazine markets. Useful to scholars and educators alike, this book:

Discusses media theory, academic research, and real-world organizational dynamics
Presents essays from both emerging and established scholars in

Access Free First Look New Star Trek Adventures Miniatures

disciplines such as art, geography, and women's studies Features in-depth case studies of magazines in international, national, and regional contexts Explores issues surrounding race, ethnicity, activism, and resistance Whether used as a reference, a supplementary text, or as a catalyst to spark new research, The Handbook of Magazine Studies is a valuable resource for students, educators, and scholars in fields of mass media, communication, and journalism.

This book allows you to learn by example, as you tear the applications apart, you see what makes them tick, and even discover how to extend them at your own pace.

To help students think critically about international relations and politics, Stephen Benedict Dyson examines the fictional but deeply political realities of three television shows: *Star Trek*, *Game of Thrones*, and *Battlestar Galactica*. Deeply familiar with the events, themes, characters, and plot lines of these popular shows, students can easily draw parallels from fictive worlds to contemporary international relations and political scenarios. In Dyson's experience, this engagement is frequently powerful enough to push classroom conversations out into the hallways and onto online discussion boards. In

Access Free First Look New Star Trek Adventures Miniatures

Otherworldly Politics, Dyson explains how these shows are plotted to offer alternative histories and future possibilities for humanity. Fascinated by politics and history, science fiction and fantasy screenwriters and showrunners suffuse their scripts with real-world ideas of empire, war, civilization, and culture, lending episodes a compelling intricacy and contemporary resonance. Dyson argues that science fiction and fantasy television creators share a fundamental kinship with great minds in international relations. Creators like Gene Roddenberry, George R. R. Martin, and Ronald D. Moore are world-builders of no lesser creativity, Dyson argues, than theorists such as Woodrow Wilson, Kenneth Waltz, and Alexander Wendt. Each of these thinkers imagines a realm, specifies the rules of its operation, and by so doing seeks to teach us something about ourselves and how we interact with one another. A vital spur to creative thinking for scholars and an accessible introduction for students, this book will also appeal to fans of these three influential shows.

Thirty years before the days of *Star Trek: The Next Generation*®, Captain Jean-Luc Picard was thrust unexpectedly into

Access Free First Look New Star Trek Adventures Miniatures

command of another proud vessel: the U.S.S. Stargazer. Surrounded by a crew he doesn't entirely know or trust, the young Picard must answer the challenges of leadership. While Picard and his senior staff accompany Chief Engineer Simenon to his homeworld of Gnala to undergo a ritual, his second officer, Victoria Wu, is left in command of the Stargazer. Responding to a distress call from a nearby star system, Wu finds herself in the middle of a mystery involving a damaged ship and a peculiar interstellar phenomenon—one that threatens to destroy the Stargazer if she can't learn its secret. Meanwhile, on Gnala, Picard must help his friend undergo the ritual—and find out who is trying to sabotage their chances of completing it before they're all killed!

On the cusp of their epic battle with Shinzon, many of Captain Jean-Luc Picard's long-time crew were heading for new assignments and new challenges. Among the changes were William Riker's promotion to captain and his new command, Riker's marriage to Counselor Deanna Troi, and Dr. Beverly Crusher's new career at Starfleet Medical. But the story of what set them on a path away from the Starship Enterprise™ has never been told. UNTIL NOW. One

Access Free First Look New Star Trek Adventures Miniatures

hundred years ago, the recurring conflicts between the Bader and the Dorset ended mysteriously when both races colonized the distant planet Delta Sigma IV -- a world located far from the destructive wars of their people -- and quickly became the Federation's perfect example of interspecies cooperation. But there are now rumblings of trouble in paradise, as an investigation led by Kyle Riker -- Commander William Riker's estranged father -- into this harmonious society has discovered a shocking, immutable truth: over the next few generations, the reaction to a native gas will spell the extinction of Delta Sigma IV's inhabitants. Captain Picard and his crew, still recovering from the tragic events that have tarnished the career of one of the Federation's most decorated captains, must come to the aid of a world that once knew only peace, but now faces emerging violence and chaos...and Commander Riker must confront the reality that his own father may be held responsible for Delta Sigma IV's almost certain downfall!

[The First Star Trek Movie](#)

First published in 1992 and last revised in 1995, this is a fitting record of a show that changed the rules by which television was made. The first adventure drama series ever to run to seven seasons and more than 170 episodes, Star Trek: The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series. This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew. In addition to Generations (1994), we now have full details of First Contact (1997), Insurrection (1998) and the very latest incarnation, Nemesis (2002). A positive feast of information, the Companion includes complete plot summaries and credits for each individual episode and film. There are fascinating behind-the-scenes glimpses into how each one was made, and in-depth analysis really brings The Next Generation universe to life. Illustrated throughout with more than 150 black and white photographs, this is a truly invaluable reference guide.

This latest installment in the Psychology of Popular Culture series turns its focus to superheroes. Superheroes have survived and fascinated for more than 70 years in no small part due to their psychological depth. In The Psychology of Superheroes, almost two dozen psychologists get

Access Free First Look New Star Trek Adventures Miniatures

into the heads of today's most popular and intriguing superheroes. Why do superheroes choose to be superheroes? Where does Spider-Man's altruism come from, and what does it mean? Why is there so much prejudice against the X-Men, and how could they have responded to it, other than the way they did? Why are super-villains so aggressive? The Psychology of Superheroes answers these questions, exploring the inner workings our heroes usually only share with their therapists.

Rabbi Gershom takes you where no rabbi has gone before! You don't have to be Jewish to enjoy this well-researched and reader-friendly journey into Jewish themes, actors, writers, in-jokes and subtexts in the Star Trek Universe. Inspired by a class he taught at the Minneapolis Talmud Torah, the book explores such things as: The Jewish origin of the Vulcan salute; How Vulcan culture is based on rabbinical Judaism; "Who is a Jew" among Trek characters in episodes, movies and the novels; How Talmudic logic helped expand the Star Trek universe; Why Ferengi values are NOT Jewish values -- and much more!

Benedict Cumberbatch 's career is built to last. From his early success as a working actor through his dynamic trajectory to international star, Cumberbatch continues to be one of the best thespians of his generation. Those who know Cumberbatch primarily because of his award-winning star turn as Sherlock Holmes in the BBC 's

Access Free First Look New Star Trek Adventures Miniatures

Sherlock know only a fraction of the actor ' s noteworthy professional history, including such critically acclaimed roles as, on television, Hawking, Small Island, To the Ends of the Earth, Parade ' s End, and The Hollow Crown; on stage, Hedda Gabler, After the Dance, Frankenstein, and Hamlet; on radio, Cabin Pressure and Nowhere; and on film, Atonement, War Horse, Star Trek: Into Darkness, and The Imitation Game. Whether starring on television, stage, or radio in home base London or filming a Hollywood production, Benedict Cumberbatch continues to choose interesting roles that cement his A-list status. His career is not without occasional controversy, but, like those he admires most in London or Hollywood, he has become savvy about the entertainment industry. Benedict Cumberbatch is here to stay in the spotlight-to the delight of anyone who appreciates fine acting.

A Flag Full Of Stars It has been eighteen months since the Starship Enterprise completed her historic five-year mission and her legendary crew has seperated, taking new assignments that span the galaxy. On Earth, Admiral James T. Kirk has married and started a new life as the Chief of Starfleet operations where he is overseeing the refit of his beloved ship, now commanded by a new Captain -- Willard Decker. Kirk's only tie to his former crewmates is his Chief of Staff, a young Lieutenant Commander named Kevin Riley. But Kirk's new, quiet life changes when he meets a

Access Free First Look New Star Trek Adventures Miniatures

scientist named G'dath who is on the brink of perhaps the greatest scientific discovery in a century. G'dath's invention could mean tremendous strides in Federation technology, or -- in the wrong hands -- the subjugation of countless worlds. When Klingon agents capture this new technology, Admiral Kirk and Lt. Commander Riley are all that stands between peace and devastation for the entire Federation.

Ensure that your WAN can handle the latest technologies with this must-have strategy guide. If a Wide Area Network (WAN) isn't set up properly, it won't be able to meet the needs of the applications being used in the Local Area Network (LAN). And with the emergence of new technologies such as VPNs, multi-service networks, and the mobility of corporate users, the costs involved with running a WAN have changed dramatically. Written by an expert on WAN design, this book provides a comprehensive strategy for choosing the best technologies available for your WAN. It includes analysis of business requirements for WANs, end-user and service provider requirements, and the capabilities and tradeoffs of the available technologies. The book also covers the realities and limitations of QoS, security, multi-service networks, virtual networks, VPNs, multi-homing, roaming, and mobility. After facing the Borg menace, the crew of the U.S.S. Enterprise is looking forward to a little exploration when the enigmatic Q informs them

Access Free First Look New Star Trek Adventures Miniatures

that the universe is at stake if they don't unravel the mystery of a strange planet in this Star Trek: The Next Generation novel. Nearly two decades ago, Jean-Luc Picard took command of the U.S.S. Enterprise NCC-1701-D, knowing it was an honor without equal. On her first mission, the Enterprise was sent to Farpoint Station for a simple, straightforward investigation. Perfect for a crew that had never served together. Then there was Q; an omnipotent lifeform that seemed bent on placing obstacle after obstacle in the ship's—and in particular in Picard's—way. And it hadn't ended with that first mission. When he was least expected, Q would appear. Pushing, prodding, testing. At times needling captain and crew with seemingly silly, pointless, and maddening trifles. Then it would turn all too serious, and the survival of Picard's crew was in Q's hands. Why was it today that Picard was remembering the day he took command of the Enterprise-D? Now he commanded a new ship, the Enterprise-E, with a different crew. But Picard couldn't shake the feeling that something all too familiar was going on. All too awful. All too Q.

On the cusp of their epic battle with Shinzon, many of Captain Jean-Luc Picard's long-time crew were heading for new assignments and new challenges. Among the changes were William Riker's promotion to captain and his new command, Riker's marriage to Counselor Deanna Troi, and Dr. Beverly Crusher's new career at Starfleet Medical. But the

Access Free First Look New Star Trek Adventures Miniatures

story of what set them on a path away from the Starship Enterprise has never been told...Until now. More than two centuries ago, the Dokaalan sent an unmanned probe into the void, bearing a distress call for anyone who could save their doomed world. But the message reached Federation space too late to save the planet or its people. Or so it was believed... Generations later, Captain Jean-Luc Picard and the crew of the Enterprise-E are stunned to discover the last of the Dokaalan—now only a colony fighting to stay alive in a decrepit asteroid mining complex. Although their home planet was destroyed long ago, the survivors hope to someday transform a nearby planet into a new home for their people. But bitter divisions exist among the Dokaalan, sowing the seeds of sabotage and terrorism—and placing Picard and the Enterprise in the middle of an escalating crisis that can only lead to total destruction!

The shattering conclusion to the nine-book Next Generation series that chronicles the untold adventures of the Enterprise crew between the events depicted in the feature films *Star Trek: Insurrection* and *Star Trek Nemesis*! On the cusp of their epic battle with Shinzon, many of Captain Jean-Luc Picard's long-time crew were heading for new assignments and new challenges. Among the changes were William Riker's promotion to captain and his new command, Riker's marriage to Counselor Deanna Troi, and Dr. Beverly Crusher's

Access Free First Look New Star Trek Adventures Miniatures

new career at Starfleet Medical. But the story of what set them on a path away from the Starship Enterprise™ has never been told. UNTIL NOW. Following the scandalous Tezwa affair, the Federation president's resignation forces an election, with the future of the United Federation of Planets to be determined by who emerges victorious from a hotly contested vote. But it is the fate of the entire galaxy that may actually be decided on Qo'noS, as the Federation embassy is seized by terrorists whose actions expose intrigue reaching the highest levels of Klingon government—and it will take all of Ambassador Worf's skills to keep the fragile Federation-Klingon alliance from collapsing. And while this potential intergalactic chaos looms, Commander Riker finds his plans for command and marriage soured by a brutal, high-level inspection of the ship from which the crew may not escape unscathed... The epic miniseries comes to a shocking conclusion—one that will leave the Star Trek universe changed forever!

loving look back at the Emmy and Hugo Award-winning series.

This analysis examines several recent reimagined science fiction franchises (Star Trek, Battlestar Galactica, V, and Star Wars) in order to capture how “reboots” work from a fan perspective. Previous encounters with these stories make the reboot experience distinct for fan-viewers, who bring with them a set of expectations and knowledge, often tied to franchise canon that cannot be separated from the new film or television series. Even when elements of the original versions are maintained, memories of them influence the narrative encounter. This book considers reimagined texts from several levels, including the medium, the characters, and the world building, to break down and then explore the reboot experience.

Anyone can type a few keywords into a search engine. But that’s only the beginning. With Studying Using the Web you can find the right material, check its authenticity, transform it into your own original work and keep up-to-date on essential topics. The book is about how to find the right information, and making the most of it. It shows you how to: know what to look for make the best use of search facilities gather pictures, sounds and more make use of the human side of the internet learn how to test information with a trust CSI kit collect and structure your information effectively make text your own keep up to date. You could stay jogging round the information track. But think how much better you could do with the right technology and skills to harness a leading-edge study machine. Move into the study fast track now.
