

Solomons Song

One of the most beautiful and mysterious books of the Bible is laid open for all to understand in this unparalleled work by Dr. Craig Glickman. With apparent ease, Glickman unveils the mysteries of the Song of Solomon in a popular-read format. But the surface simplicity is backed up by a lifetime of study and scholarship, three special appendices, and interpretive notes that validate his interpretation. Also included is a fresh translation of the Song published in this book for the first time. Initial readers of this book offer resounding praise. This book is "the most fascinating book I have ever read about the Song," says Dr. Henry Cloud. Old Testament scholars praise it as an academic breakthrough: "clear, cogent, and convincing," says Dr. Eugene Merrill; "a valuable contribution to our translation and understanding of the Song," says Ed Blum, general editor of the HCSB translation. Dr. Paul Meier sums it up in these words, "Craig weaves thousands of years of wisdom together to paint a vivid word picture of emotional and sexual intimacy." This is not a commentary on the Biblical book, The Song of Solomon, it is a number of articles taken, mainly from "The Signs of the Time" magazine which seek to comment upon various verses of The Song of Solomon. The authors were ministers/elders from a former generation of various Primitive Baptist Congregations in the USA

Prince Solomons Song is a collection of poetry written as I walked the amazing path of this blessed life while experiencing the impact of love. My goal is to humbly share special moments that inspired a craft from within my soul. It is an honor to be able to give to you, the reader, something to reflect on. I pray it gives a touch of inspiration and appreciation for the immaculate touch of love.

There are different interpretations of the biblical book, Song of Solomon. This is understandable because interpretations of the book roots are in faith traditions and interpreters experiences of the Holy Spirit. The different interpretations of the book of Song of Solomon give insight that affirms God at work in the interpreters when the message of God is heard anew through each approach. Some interpret Song of Solomon as allegorical biblical text. This interpretation asserts the book of Song of Solomon, as a love story between God and the church, or Christ and the Church. Another allegorical interpretation of the book asserts the book, Song of Solomon, as a love story between Christ and the soul. Others interpret the book, Song of Solomon, as literal biblical text, read in a normal way. One literal interpretation of the book, Song of Solomon, asserts the book a love story between a young woman and a youth, who is a shepherd. In this interpretation the young woman rejects the love of the most powerful man on earth, Solomon, to embrace the love of a young shepherd. She marries the shepherd, and their marriage blooms in nature.

The thesis shows that the Song of Songs can be read as a circular sequence of sub-poems, that follow logically from one another if they are understood as contributing to two main points, made in a woman's voice. The woman urges men to take romantic initiative to be committed exclusively and for life, and urges women three times to wait until they are approached by such men. If this reading is the best explanation of the text of the Song, then the Song is a unified work centered on a woman singing about human romantic love from a woman's perspective.

When Mary Abacus dies, she leaves her business empire in the hands of the warring Solomon family. Hawk Solomon is determined to bring together both sides of the tribe - but it is the new generation who must fight to change the future. 'Solomon's Song' is a novel of courage and betrayal in which Bryce Courtenay tells the story of Australia's journey to nationhood.

'You have to search for the key to the song of your life and when you find it, don't let it go.' Fourteen year old Solomon lives for adventures with his cousin Ze, his dog Duke and above all, to sing and play the piano, for which he has a rare gift. But when life in the idyllic mountains of the Serra dos Orgaos is shattered by injustice, the family is uprooted to the slums of Rio de Janeiro. Everything Solomon loves is stripped away and life seems worthless. Growing up at 'Goodnight', her family's vast cattle ranch in Montana, Kiera Kavanagh dreams of finding the love of her life - the key to her song. But the untimely deaths of two people close to her leave her in turmoil and questioning her romantic teenage notions. Born on the same day, thousand of miles apart, will these two young lives find a love that overcomes their suffering, discovering who they are meant to be, and each other? Solomon's Song is a beautiful debut novel, interlacing the lives of many vividly drawn characters across continents and cultures.
